

Field Safety Plan

Nestbox Monitoring Picnic Grounds

Site	Picnic Grounds
Nestboxes	Putah Creek Riparian Reserve (PCRR)/Experimental Ecosystem: 10 nest boxes on poles. UC Davis Foundation Plant Services (FPS): 20 nest boxes on poles split between two locations.
Owner	PCRR; UC Davis
Gate Codes	Access to PCRR requires permission from JP Marié (jpmarie@ucdavis.edu)
Directions	To FPS: drive W from campus on Hutchinson Drive, then turn L on gravel road just W of Hopkins Rd. Orchard boxes are to the R and L. To continue to row crop boxes, continue down gravel road to last R then continue W to last two fields. To PCRR, drive W from campus on Hutchinson Drive, then turn L on Pedrick Road/Co Road 98. Continue to R on parking area for PCRR, just north of Putah Creek. Go through gate at W end of parking lot (ask JP Marié for gate code) and first five boxes are L. To reach second 5, continue through first gate on R side of road, take second L, continue to boxes.
